My dear Clarke:

Mr. Cadby, of the Wms  
Util Assn., writes me that the  
Appleton newspapers give the  
date of that plant starting  
up, as Sept. 30, 1882, Saturday  
evening.

So that settles that!  
Now for Newburgh, Fall River  
Sunbury, &c. in due order of  
priority. I had never before had  
occasion definitely to look  
up all this matter, but it is  
worth the doing. I had no

idea N.Y. City was so far ahead  
of Appleton - had thought it  
was the other way around.

Yours truly  
T. Munster
